## WEEKLY FOCUS: THE SAMBURU

**H**ow can we communicate the good news about Jesus to the Samburu? Pray that God will work in us, making us more like him and that the testimony of our lives and the words of our mouth will bear fruit in God's kingdom here in the Samburu district.

Africa Inland Mission is an evangelical, interdenominational organisation with the goal of seeing 'Christ-centred churches among all African peoples.' 🐦 @aimeurope 📺 fb.com/aimeurope

#### 5 APRIL | SUNDAY

It is a privilege to live among the Samburu people in this area. We praise God for keeping the door open despite several problems. Pray that we as a united team will be a strong witness to the gospel of Jesus Christ.

#### 6 APRIL | MONDAY

In Samburu culture information is transmitted orally, and only a very few people are literate. Therefore speaking their language, hearing their stories and sharing our own is of utmost importance. Pray for continued progress and diligence in language learning.

#### 7 APRIL | TUESDAY

The gospel of Luke and the gospel of Matthew have been published in Samburu. Pray that as people hear God's Words from Luke at our Sunday services, the Holy Spirit will enable them to understand. Pray for ways to reach out to the men and moran (warriors) who do not attend.

#### 8 APRIL | WEDNESDAY

The Samburu have a very limited concept of sin. Some old people may say that they have never sinned. Pray that many will understand that their sin separates them from God and that they are in need of a Saviour.

#### 9 APRIL | THURSDAY

We showed the Jesus Film in Lchakwai at Christmas, and have since shown it in Raragon and Moru. Team Members have shared it in several homes as well. Pray that the Samburu will desire to know more about Jesus and commit to following him.

#### 10 APRIL | FRIDAY

We have been thinking of telling Bible stories in various homes. There are some oral and written resources and pictures. Pray that this way of communicating the good news may bear fruit.

#### 11 APRIL | SATURDAY

Pray that each of us will grow in our love for God. Pray that the Holy Spirit will enable us, with our limited vocabulary, to explain about the God we know and love. Pray for endurance and encouragement in the hard times.

#### WEEKLY FOCUS: CREATIVE ACCESS

**T**here is a growing anticipation and expectation this year as we wait upon the Lord and prayerfully ask him to move across North Africa. Would you join us and many around the world in praying specifically for the nations across North Africa?

#### 12 APRIL | SUNDAY

Please pray for the multiplication of believers. We long to see new believers boldly proclaim the truth they have received so that others will join them and then also pass on the message.

#### 13 APRIL | MONDAY

The local body of the church is small, so please ask our Father to raise up bold, pastorally minded, outward looking leadership. Please pray for strong leadership across the church in our region.

#### 14 APRIL | TUESDAY

Most women are undervalued in our region, many are marginalized through life circumstances. Ask that the Father would restore their honour and draw them to himself.

#### 15 APRIL | WEDNESDAY

God reveals himself through dreams and visions here. We often hear stories of visions of "a man dressed all in white". Ask that Jesus would be recognised and glorified. Many workers in the region are reporting softening

of hearts and encouraging conversations with friends, neighbours, and business colleagues indicating a genuine seeking for truth

#### 16 APRIL | THURSDAY

The main staple for many across the region is bread and yet, it does nothing to fill their hunger or satisfy their souls. As they strive to please God through rituals, ask that our Father alone would be known as the provider of the bread of life, the true giver and sustainer of life.

#### 17 APRIL | FRIDAY

Five times a day the call to prayer rings out across cities and villages. Ask Father to touch hearts and minds as many literally kneel down.

#### 18 APRIL | SATURDAY

Ask that workers would be guided to those whom the Father is leading to himself and that we would be granted wisdom as we seek to introduce them to our Saviour. Among the worker community, there is an increasing sense that we need to commit to earnest prayer, seeking guidance in every relationship and conversation.

#### WEEKLY FOCUS: MOBILISING MISSION

**T**his week we're praying for the U.S. mobilising region in Peachtree City, Georgia. There, about 30 men and women serve to mobilise new personnel and to provide vital administrative support to those serving in Africa. A team of seven mobilisers serve in different regions of the United States, working with prospective candidates as they seek their role in the Great Commission.

For accompanying articles and stories, visit:  
[eu.aimint.org/mobiliseapril2015](http://eu.aimint.org/mobiliseapril2015)

#### 19 APRIL | SUNDAY

Please uphold our entire mobilising region team as they seek to challenge Americans

toward mission and to serve personnel on the field and on home-assignment. Praise God for the headquarters team and the many ways they support our goal of Christ-centred churches among all African peoples.

#### 20 APRIL | MONDAY

Pray for wisdom for U.S. Director Wade Ewing as he leads the U.S. team, and for the various departments as they serve AIM candidates, personnel serving in Africa, and prayer and financial partners. Pray that staff effectiveness, efficiency and unity would be blessing to all who pass through the office.

#### 21 APRIL | TUESDAY

Pray for mobilisers serving in different regions of the United States. Pray for safety over many miles travelled, for divine appointments as they visit churches and campuses, and for creativity as they seek out new ways to engage those seeking to serve cross-culturally in Africa.

#### 22 APRIL | WEDNESDAY

Praise God for the men and women from the United States who are stepping forward to serve him in Africa. Pray for them in this incredible journey, which often entails quitting jobs, selling homes, saying difficult goodbyes to family and friends, and gathering a team of prayer and financial supporters.

#### 23 APRIL | THURSDAY

Pray that God would use our Short Term programme to ignite a passion for mission in the hearts and minds of those who serve. Pray for life-changing experiences as they serve in a wide range of ministries – both as individuals and in teams. Pray that many will return to serve Long Term.

#### 24 APRIL | FRIDAY

As we seek to have a more strategic role in reaching African Diaspora, pray that God would open doors in the United States for teams to serve in communities with large African populations. Pray that God would be preparing hearts of Africans living in the U.S. to receive the good news.
