# WHY WE ARE READING IT?

This book is more than a history - it is a compelling collection of candid, sometimes painful and sometimes wonderfully encouraging stories of missionaries and the people that they worked among, tracing the development of the Africa Inland Mission from its earliest beginnings. It is also a story of Africa itself, through a century of transition, turmoil and political change.

*'A demonstration of how God takes ordinary and weak people and enables them to work with him to achieve great things.'*

Stanley Davies  
*General Secretary, Evangelical Missionary Alliance*

*'There are tens of thousands of African Christians who owe their knowledge of Jesus Christ to what God has done through the Africa Inland Mission. Dick Anderson's account of this remarkable success story is immensely exciting and will prove a great encouragement to all who have a vision for cross-cultural evangelism and church planting.'*

Ray Clements  
*Pastor, Eden Baptist Church, Cambridge*
