**PLEASE SEND ME THEIR

£: by post by email

until I notify you otherwise.

I am not a taxpayer

I understand that: I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference. AIM will reclaim 25p for every £1 that I donate

Please notify AIM if you: want to cancel this declaration, change your name or home address or no longer pay sufficient tax on your income and/or capital gains

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.
