

smartphones. Pray for Facebook advertising to reach Islanders and for the Word to spread rapidly across these islands. Pray that it will bear fruit in their lives.

27 NOV • TUESDAY

Believers are few and are often very isolated. Attempts by our team to encourage them to meet together have not resulted in any ongoing connections. Pray that believers would crave fellowship, and that they would meet with their own families (many are unbelievers) to study the Word.

29 NOV • THURSDAY

There is a growing diaspora of Islanders, particularly on a nearby island. Pray for our teammates who are living there this year, that they can mobilise local believers to reach out to Islanders, and that some will join us on this island as outreach workers.

30 NOV • FRIDAY

Pray for gatherings of believers to be established throughout the Indian Ocean Islands, pray that there will be a heart to reach out to their lost friends and family among all believers here, and that they would be freed from fear in order to share openly.

CONNECT is Africa Inland Mission's *Magazine & Prayer Diary*. It includes a weekly focus on either an unreached people group, an African country or a ministry area. Each week, there's

also links to complementary stories and articles which we trust will encourage you to pray with more insight and praise God for what he is doing among African people.

CHURCH PLANTING

For accompanying articles and stories, visit:

"September 2010 was the month that we moved to Tanzania. I was eleven years old, and my entire world was flipped upside down. But I wouldn't have it any other way..." Ella Pugh recently wrote as part of a piece for a school assignment. Her parents, Miriam and Owen, with four children, are part of a church planting team among the Alagwa of Tanzania.

1 NOV • THURSDAY

Pray for the women in our village who are secret believers. Please join them in praying for their families. Their children regularly listen to Bible stories in Alagwaisa; some take their audio players so that they can listen as they are out herding. Pray for the salvation of their husbands.

2 NOV • FRIDAY

Please pray for the couple in a neighbouring village listening to Bible stories with our team mate. Thank God that the husband has been passionate about his wife also understanding the gospel. Pray that they would have the courage to commit their lives to Jesus.

TIMO: MINISTRY IN ACTION

Jeremy & Leah Krahn, with their children, Ryan (15), Paul (13) and Marie (11) have been serving in Tanzania for eight years. For the past two years they've been working with the Zigua people and have recently started leading a Training in Ministry Outreach (TIMO) team.

WEEKEND FOCUS 3-4 NOVEMBER

Pray for the remaining 30 people groups in Tanzania that don't yet know about Jesus' saving grace. Many of these people groups follow Folk Islam. Pray that they would be set free from the bonds of these ideas and begin to seek true freedom in Christ.

5 NOV • MONDAY

Pray that the Zigua would no longer live in fear but would drink and be so satisfied by the Living Water that they cannot help but glorify God. Pray that whole families will come to faith in Jesus and worship together in reproducing, indigenous Zigua churches.

6 NOV • TUESDAY

Pray for the Krahns and their team as they learn the Zigua language and culture and build relationships in their communities. They need perseverance in language learning so that they can communicate the gospel clearly.

7 NOV • WEDNESDAY

Pray for the partnership between the team and the Africa Inland Church of Tanzania in Bagamoyo. Pray for a unified vision and strategy to reach the Zigua. Pray for Tanzanian missionaries with a passion to share the gospel with the Zigua to join the team.

8 NOV • THURSDAY

Part of the vision and strategy of the team's work among the Zigua is to start a primary school. The goal is to have the school up and running by January of 2019. Please pray for funds for a functional bathroom for students and teachers to be built, which would allow the school to be certified.

9 NOV • FRIDAY

Pray for good health for the team and for the health and education of the team's children as they attend boarding school and our local homeschool. Pray that families who are separated would cope well and be able to communicate well despite poor internet and phone signal.

COMMUNITY DEVELOPMENT

Just over five years ago Claire Gibson was asked to set up the secondary school at Acacia International School, a Christian school, desiring to serve missionary families and the East African community in Kampala, Uganda. She shares:

WEEKENDFOCUS 10-11 NOVEMBER

Currently, we have more than 230 students in the primary and secondary school, who are from over 25 different nations. Our school mission statement captures what we do: 'Educating and inspiring servant leaders for Christ'. Faith is absolutely at the heart of what we do; speaking into, moulding and shaping students on their

individual faith journeys. This part of my role is an absolute privilege and joy! Among many activities that we offer, we have annual student retreats. Retreats are a great time to get out of the city and hike, swim, play in waterfalls, and study the Bible together. Students are challenged to evaluate their own personal walk with God. A recent retreat theme was, 'What rules in your life?'. Pray for the students, that they would submit their lives to their creator.

12 NOV • MONDAY

Give thanks and praise for the successful accreditation of the school by three teams of inspectors, representing three independent bodies. Pray that the accreditation will be an encouragement to the whole Acacia community.

13 NOV • TUESDAY

Pray for the growth of the school. Pray that the school will adapt successfully as it expands. Ask that as the school grows, the students and staff will continue to keep Jesus at the centre of all the school does.

14 NOV • WEDNESDAY

The school is currently out-growing its current space and would greatly benefit from more land to expand and grow. This would allow for much needed space for sports, among other things. Please pray for opportunity to purchase extra land and for the necessary funds.

15 NOV • THURSDAY

Pray for Christian teachers to be willing to join the Acacia team. The school, as it grows, is constantly looking for great teachers for both the primary and secondary schools to join the existing teaching staff. Give thanks for our diverse team of teaching staff.

16 NOV • FRIDAY

Pray that Acacia will constantly seek to partner with other schools in the community to support the professional development and the training of teachers in Kampala, and that it would become a centre of excellence in teaching.

SHORT TERM

Lucy Sudworth has just spent 10 months serving as a homeschool teacher to Isabelle (11), Esmé (9), Iris (6), and Sebastian (2), while their parents, Chris and Sarah Power, lead a ministry team and teach English in Mayotte, where Chris also serves as Unit Leader.

WEEKENDFOCUS 17-18 NOVEMBER

Lucy Sudworth shares the following prayer points: "Overseas missions is still a calling on my heart. Pray that God would lead me to where he wants me to serve and that I would trust in him for his calling on my life."

19 NOV • MONDAY

Pray for Zara, an English teacher who also became a good friend. Praise God for opportunities I had to share the gospel with her and pray that she would still be open to hearing more about Jesus and to seek more information about him.

20 NOV • TUESDAY

Mama Bey, who was my language teacher, has heard many Bible stories and claimed that she has believed in Jesus for a long time. Pray that as she thinks about what she has heard, she would be convicted about the person of Jesus and that she would be led to true repentance and obedience.

21 NOV • WEDNESDAY

Pray for the missionary families living among the Shibushi people on Mayotte. Pray for their witness as they live among them, are part of the community, and offer hospitality. Pray that the numbers of Christian believers would grow on the island.

22 NOV • THURSDAY

Teaching English has been a great way to connect with children and their families. Pray for the children who ask questions about Jesus, that God would make himself known to them. Pray that parents would be able to give their children enough time to be good witnesses to them too.

23 NOV • FRIDAY

Pray for the island of Nosy Be, Madagascar, which I was able to visit during my time away. Pray for the missionary team there as they work together to grow the local church and as they witness to, and disciple, many people in the villages.

OUTREACH & EVANGELISM

For accompanying articles and stories, visit:

➤ eu.aimint.org/outreachnov2018

Where are you? Well, that's a question we can't really answer for security reasons. These islands in the Indian Ocean are strongly influenced by Islam. Open proclamation of the gospel invites opposition for our missionaries, and conversion to Christianity can bring persecution for locals.
