

# PRAYER CUBE

## What is a prayer cube?

A prayer cube can be a fun way to help you when you pray. Roll the cube and use whatever it lands on to help you pray to God.

You can also take it in turns with friends, family or use it in a group.

## How to make?

- After you have filled in the blank spaces and squares, colour all the squares.
- Cut around the black lines.
- Fold along the dotted lines.
- Fold each square and stick onto the corresponding tab
