

DESIGN YOUR OWN...

BOOKMARK

The Bible verse on the front of the bookmark talks about how God helps us to understand truths about him. What kind of images does that make you think of? Maybe a lamp, or a torch, or footsteps? Or maybe something else completely? Why not draw some of these things on your bookmark?

Once you have decorated your bookmark cut each side out and glue them together

YOUR WORD
IS A LAMP
FOR MY FEET,
A LIGHT ON
MY PATH.

PSALM 119:105

Why not use your bookmark as a reminder to pray the unreached people groups you've read about?
